Attention Provider Type 85: Retroactive Prior Authorization Requests for Applied Behavior Analysis (ABA) Services

Many Applied Behavior Analysis (ABA) services require prior authorization (PA). ABA providers who have not yet obtained PA for ABA services with dates of service on or after January 1, 2016, may submit retroactive PA requests until August 15, 2016.

Use form FA-11E to request authorization for services. Form FA-11F must be submitted with initial requests for ABA services along with FA-11E. PA forms are available on the [Provider Forms](#) webpage. The Provider Web Portal prior authorization system has been updated to add the Applied Behavior Analysis (ABA) authorization type to the "Authorization Type" drop-down list.
